### **Full Job Description:**

LLAB Electric is looking for experienced journeyman and inexperienced apprentice electricians for both residential and commercial projects. Our projects range from service calls to remodels to new construction. We have great repour with our current customers look to build our business and expand to offer our services to new customers.

We are looking to expand our team while providing excellent customer service and quality within our work. Our master electrician has 25+ years' experience and you will have the opportunity to learn from a master in the electrical trade. Our ideal candidate will have at least one year in apprentice school. We are willing to help guide the right candidate and provide on the job training to get you ready for the apprenticeship program.

We also are involved and volunteer within our community. We are part of Home Builders of Iowa, Associated Builders and Contractors of Iowa, Urbandale Chamber and Urbandale 4<sup>th</sup> of July Celebration Committee.

Please contact us for employment opportunities and schedule your interview at [llabelectric@gmail.com](mailto:llabelectric@gmail.com)  
We can be reached at 515-210-5110 or 515-979-9268.
